I am very disappointed with the whole process.  
I voted for the HSR back in 2008 but wish I would have voted NO. If you must build it then put it along state Route 99 or A-2. And st Route 152. ~~the~~ HSR has no idea what we in rural America are all about.

This part here in Le Grand we don't have much money, we have little work and I think that placing another train and another track will cost a lot. Yo Pienso que no es muy buena idea porque mucha gente a muerto en los track de Planada y mi hija crusa los trackes muchas veces para la escuela yo pienso que no necesitamos otro tren. Y luego no tenemos dinero para gastar ese dinero lo podemos necesitar para otro proyecto. Para tener una economía mejor mas buena.

I think that it is not a good idea because many people have died at the Planada Tracks and my daughter crosses the tracks a lot to go to school and I think that we don't need another train. And we also don't have money to waste, that money could be spent for other projects to have a better economy.
